Welcome by the Host

This year's most gracious host was SPRING Singapore (Standards, Productivity and Innovation Board of Singapore). The Spring Singapore IT Standards Committee Chairman, Mr. Robert Chew gave a warm welcome to the delegates of the Plenary. Mr. Chew gave a rich account of Singapore followed by an invitation, to the delegates, for dinner and a show on Sentosa Island. On behalf of the SC31 Community, Mr. Haberman presented Mr. Chew a plaque of Appreciation memorializing this event.

Roll Call of Participants

Mr. Haberman directed the Secretariat, Mr. Frank Sharkey, to conduct the roll call of participants. There were 50 delegates representing 15 National Body P-members, 4 Liaison members and 1 Representative of ISO CS:

Report of Pre-Meeting between Chairman and WG Conveners

Mr. Haberman provided a report on the activities of the HoD/Convener's Pre-meeting: In addition to the SC31 Chairman, SC31 Secretariat staff and ISO/CS ITTF guest, 20 delegates participated in the pre-meeting.

- Standard Test Plans in the Development of Technology Standards
 An ad-hoc committee was created to evaluate standardized test plans for artifact verification and to report to the SC 31 Secretariat for a letter ballot. The members of this committee include: Chairman, Mr. Josef Preishuber-Pflugl (Austria), Mr. Steve Halliday (USA), Mr. Chuck Biss (WG3 Convener), Mr. Sprague Ackley (WG1 Convener).
